

One Compact for Hampshire

The One Compact for Hampshire
is an expression of the desire of the
Voluntary & Community Sector and the Public Sector
*to work together - to be better together
to get it right together.*

**It is a jointly agreed framework of principles
to guide their future working relationship.**

**Local Authorities and other Public bodies are committed to
working collaboratively with
Voluntary and Community Organisations
and their representatives so that
they may, together, improve mutual understanding, trust and
respect in the true spirit of partnership
to benefit people in our communities in Hampshire.**

County Organisations

*Hampshire Ambulance NHS Trust
Hampshire & IOW Strategic
Health Authority
Hampshire Fire & Rescue Service*

*Hampshire County Council
Hampshire Strategic Partnership
Hampshire Constabulary*

Fareham Organisations

*Networkfareham
Fareham Borough Council*

Fareham & Gosport PCT

at October 2004

**have agreed to support the principles set out in the
One Compact for Hampshire.**

The management committee of

*.....
recognises the value of the Compact and agrees that in discussions with
public bodies the organisation / group will expect mutual adherence to
the Compact principles.*
