

## Directions to Fareham Community Action

Directions: from M27 take Junction 11. Follow signs to town centre, keep to centre lanes to cross flyover. The slip road will take you across a flyover and along a dual carriageway to a large roundabout with large conifers and flowerbeds. The first exit goes to Gosport and the second towards Titchfield.

Take the third exit to the town centre, turn right at the mini-round about into Hartlands Road and pass the bus station on your right. At the top turn left into West Street pass the Post Office on your left. After 100 yards go through the traffic lights and turn right into Trinity Street ( a one way street).

Follow the one-way system turning right and right again then you will enter Osborn Road South. The office is half way down on the left. There is 40 minute parking on the left side of the street or there is public parking in the car park behind the office.

We often hold meetings in the United Reformed Church; that is on the right in Osborn Road South and has its own car park.
