Portable Appliance Tester

If you have staff or volunteers trained in the use of PAT testing equipment, (ask about Harbourside Training Sessions) your

organisation could hire our PAT equipment and test your own portable appliances. This keeps the cost of this important job at a much more affordable level.

First Hire : £45.00 (4 days)

Subsequent : £5.00 per day

Display Boards

You can choose between freestanding boards as opposite or the smaller table top boards. Both sets are foldable and come in a carry case.

A great way to present information about your organisation. If you need help in making a display, remember we can help with colour printing, laminating etc.

Cost of Hire: £5.00 per day

Why Hire?

We know that many Voluntary & Community Groups do not have the resources to purchase larger or more specialised pieces of equipment.

With this in mind, Fareham Community Action are happy to make their equipment available to members for a small hire fee.

How do we go about it?

Simply email or give us a call and we will check that the piece of equipment you need is available on the day you require it.

Tell us the date & time and we will book your hire into the diary.

If you are unsure about using the equipment we are more than happy to book time to give you a lesson.

Pick Up and Return

When you come to pick up, we will check that the equipment is in working order and ask you to sign for receipt of the equipment. If you need guidance on setting up the equipment we will cover this with you.

When the equipment is returned it will be checked and signed back into the building again.
