Location of Fareham Community Church

Love and Cherish Sessions are presented upstairs in the Community Church.
The Church building is called The Kings Centre and it is beside Tino's Coffee House in West Street.
There is a car park behind the centre that can be reached from Russell Place, off Trinity Street.
However, be aware, there are adjoining spaces belonging to neighbouring businesses, they are all marked.
There is a walkway through to West Street that is closed after 6pm.
Press the 'square wheelchair user' button to the right of the door to open it.
