

Location of Fareham Community Church

Love and Cherish Sessions are presented up or downstairs in the Community Church.

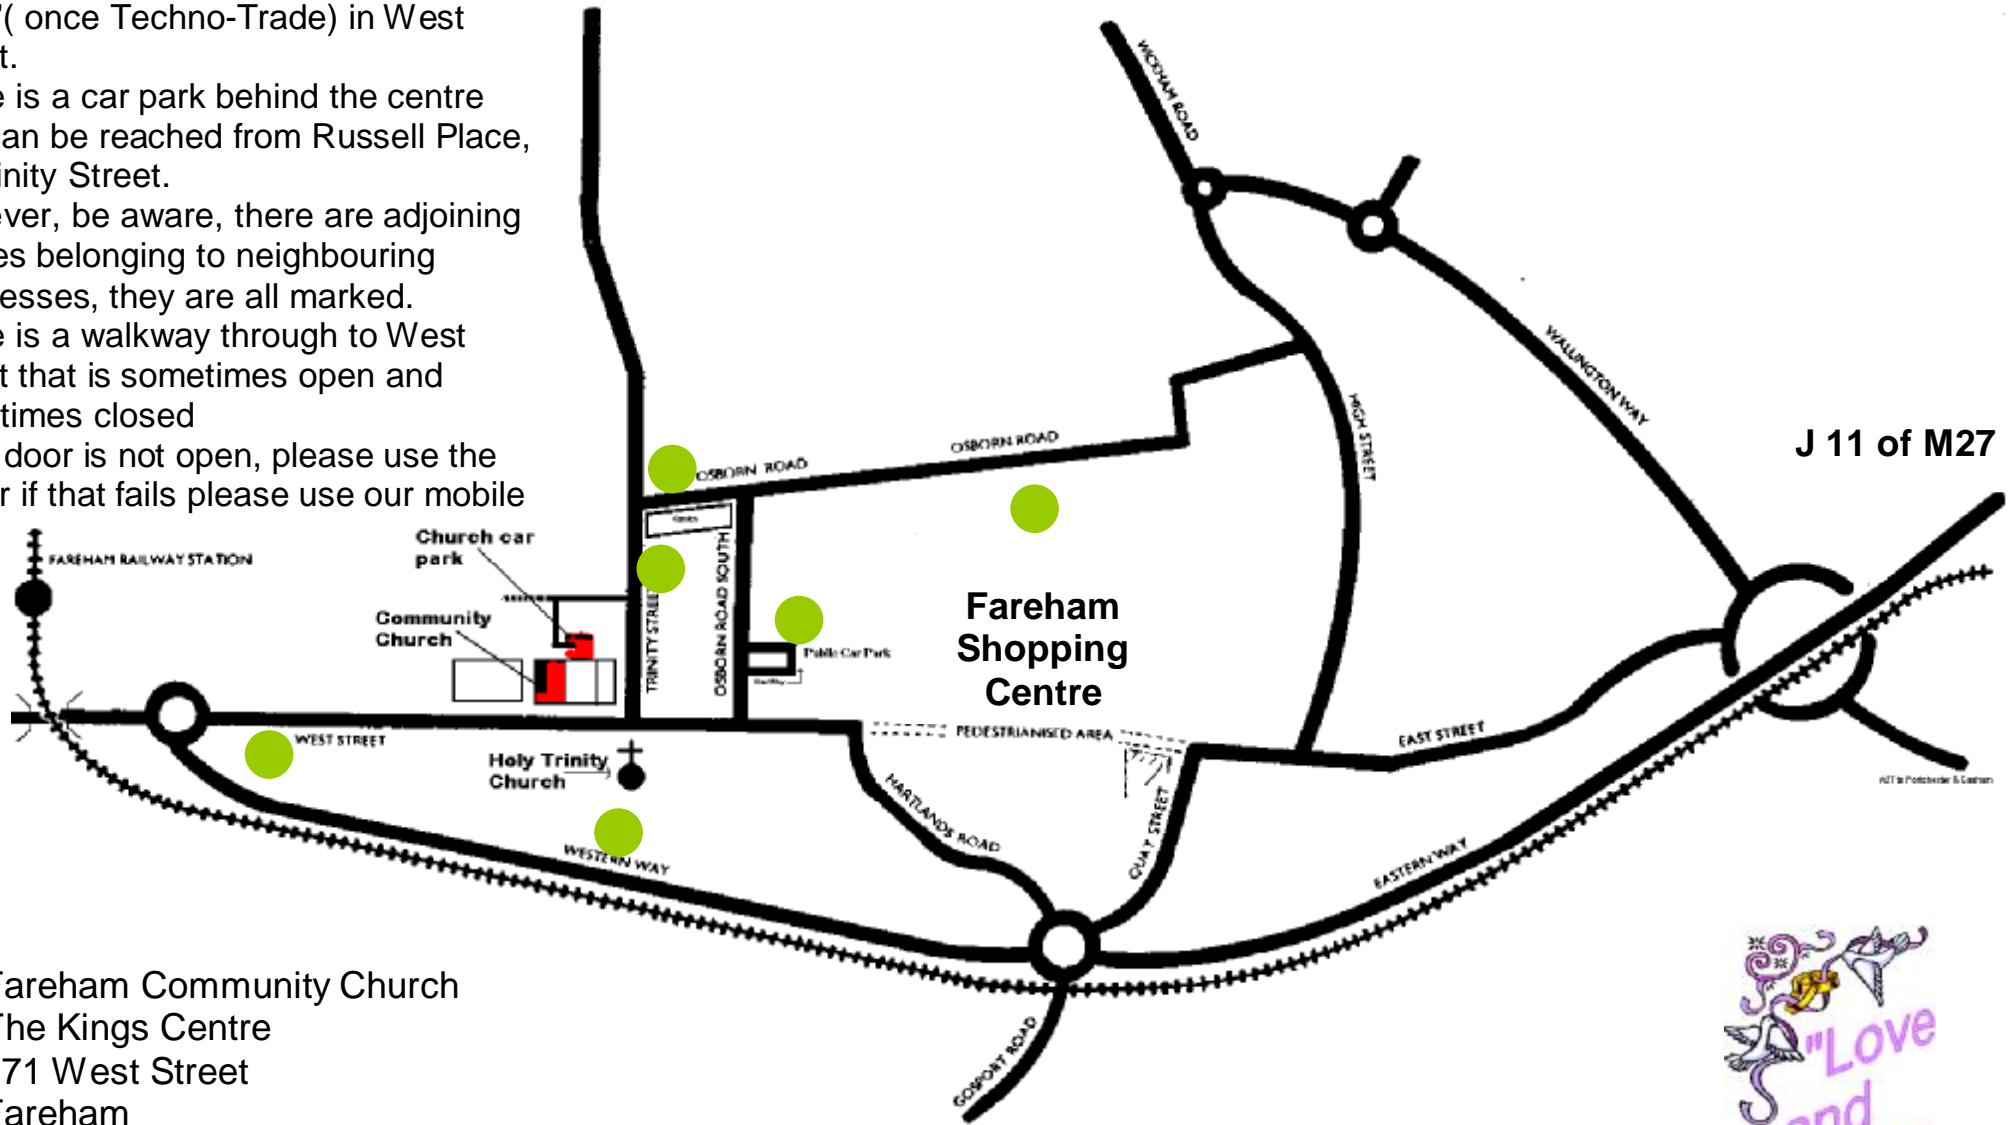

The Church building is called The Kings Centre and it is beside "Heli-beds" (once Techno-Trade) in West Street.

There is a car park behind the centre that can be reached from Russell Place, off Trinity Street.

However, be aware, there are adjoining spaces belonging to neighbouring businesses, they are all marked.

There is a walkway through to West Street that is sometimes open and sometimes closed

If the door is not open, please use the bell or if that fails please use our mobile
